- 8 step adjustable grinder

HD8953/21

## Multi-beverage, multi-user with full automated dual cleaning milk carafe

With Xelsis Evo espresso machine every family member can enjoy his or her favorite coffee. Thanks to the unique multi-user function up to 6 personal user profiles can be created and for each profile up to 9 beverages can be personalized.

#### **Authentic Italian coffee perfection**

- Perfect froth thanks to the dual chamber milk carafe
- Milk specialties without the wait thanks to a double boiler
- Coffee without burnt taste thanks to 100% ceramic grinders

#### **Set the beverages to suit your taste**

- Personalize your coffee in 6 user profiles
- Play with the coffee's richness with our adjustable grinders
- Boost coffee crema and body

#### **Ease of cleaning and maintaining**

- Always a clean machine thanks to auto-clean and descaling
- Hygienic milk frothing thanks to automated dual cleaning
- Easy cleaning thanks to removable brewing group

**PHILIPS**

Saeco is a trademark of the Philips Group

 **Saeco**

# Highlights

## 100% ceramic grinders

This espresso machine is equipped 100% ceramic grinders. Saeco uses ceramic grinders because of their consistent grind without overheating the coffee bean for an impeccable espresso. Ceramic also ensures long-lasting performance and a totally silent operation.

## Dual chamber milk carafe

Enjoy your milk specialties fully automated with the patented milk carafe with dual chamber technology. Simply pour milk into the carafe, plug it into the machine and select your coffee drink. With the dual chamber technology you will always enjoy professional coffee drinks with dense, long-lasting milk froth at the ideal temperature from a constant splash-free flow of milk.

## 8 step adjustable grinders

Different coffee blends require different levels of granularity for the full flavor to unfold. The grind granularity of this espresso machine can be adjusted in 8 settings, from the finest grind, for a full bodied espresso, to the coarsest, for a lighter coffee.

## 6 user profiles

This Saeco espresso machine comes with 6 customizable profiles that memorize your personal preference for different coffee drinks. This makes it very easy to get a perfect tailor-made cup of coffee although you are not the only one using the machine.

## Removable brewing group

The brewing group, a Saeco invention, is the heart of our espresso machines, ensuring

automation. The brewing group is, depending on the model, easily accessible from the front or side. It can be removed effortlessly for easily cleaning by rinsing under the tap ensuring maximum hygiene.

## Automatic dual cleaning carafe

This Saeco espresso machine comes with a fully automated dual clean function for its milk carafe. The dual cleaning uses two independent steam cycles to swiftly rinse your milk carafe after each coffee drink you prepare, for a fresh milk drink everytime. Hygienic milk frothing was never this easy.
