

XGIMI

MoGo Pro

Movies On The Go

FHD
1920×1080

True 1080p FHD

XGIMI's DLP technology enables the MoGo Pro to provide a sharp, crisp image with a native 1080p FHD picture quality. 4K Ultra HD is also supported.

2.5H

Lightweight With A Built-In Battery ¹

MoGo Pro's strong built-in battery provides 2.5-hour of big-screen entertainment anywhere, anytime. MoGo Pro is only 14.7cm (5.8 inch) high, and the net weight is 0.9kg (1.98lbs), ensuring easy transport.

Smart Autofocus & Keystone Correction

Setting up MoGo Pro is a breeze! Simply power it on, and the 4-point keystone correction will automatically adjust your screen to perfection. What's more, the integrated autofocus feature will keep said screen crystal-clear at all times.

androidtv

Non-stop Entertainment

MoGo Pro works with the Google Play Store for Android TV™. Whatever you're into, from Showtime to YouTube to tons of games, there are innumerable apps to find and fall in love with. With 5000+ native apps, Android TV™ opens the door to a world of entertainment for you.

SOUND BY
harman/kardon
Dolby Audio

Sound by Harman Kardon

MoGo Pro is powered by dual 3W Harman Kardon speakers, offering fantastic sound quality, professionally tuned using Gold Ear Philosophy. Enjoy well-balanced speakers that are perfect for any music.

Remark:

1. The battery life varies according to the viewing mode, application usage, and environment.

2. All parameters listed on this page are measured in a controlled test environment before the product is mass-produced. The results may vary based on individual user experiences, including different environments, usage conditions, and firmware versions.
