LMP Easy Mouse USB

PRODUCT OVERVIEW

Combine the magic of a straightforward design with the proven reliability of USB and you get the LMP Easy Mouse. Just plug it into a USB port of any Mac or PC and it will be ready in an instant – no need to charge any battery ever, no cursor lag whatsoever.

With its traditional 2-button design and scroll wheel, the Easy Mouse is simple yet utterly handy in its daily use. A sharp 1600 dpi IR sensor and silicone sliding rails let you navigate effortlessly through any task or document. The all aluminum base and the beautiful finish of the top cover fit nicely to just about any Mac there is.

The Easy Mouse USB is available in silver aluminum base with white top cover with either a USB-A or 2-in-1 USB-C & USB-A (P/N 20442) plug.
