PHILIPS

Highlights

Coffee boost technology

Get the most out of your pad thanks to the innovative SENSEO® coffee boost technology that delivers a fuller, richer flavor through: A new finer distribution of water (from 5 to 45 aroma nozzles) which ensures the hot water is optimally spread across your entire SENSEO® coffee pad, touching all 50 coffee beans at once. Therefore each grain of ground coffee will release all the aromas and flavors, delivering a richer, fuller taste.

Delicious coffee crema layer

The fine SENSEO® coffee selection and the unique SENSEO® brewing system make sure that your perfect cup of coffee always comes with a rich and delicious coffee foam layer - proof of premium taste and quality.

Quality and durability

Philips tests SENSEO® coffee machines for more than 10,000 cups during development, to ensure high standards in quality and durability

Unique brewing system

At SENSEO® we know how to get the best out of the coffee bean to make great tasting single serve coffee. The operation of the SENSEO® system is simple and brilliant. Water is pumped from the boiler to the coffee pad. The hot water releases the aroma from the pad and gives a perfect cup of coffee. SENSEO® always offers you quality that you can taste.

Variety of blends and flavors

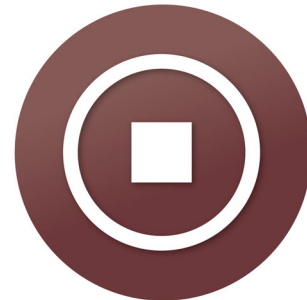

SENSEO® offers you a large variety of coffee blends and flavors, each with its own distinctive taste to fit your personal preference.

1 or 2 cups at the same time

This SENSEO® coffeemaker prepares one or two cups of your delicious SENSEO® coffee in less than a minute.

Manual brew stop

This SENSEO® coffee maker allows manual brew stop to stop the brewing cycle whenever you want.

Philips Green Logo

Philips Green Products can reduce costs, energy consumption and CO2 emissions. How? They offer a significant environmental improvement in one or more of the Philips Green Focal Areas – Energy efficiency, Packaging, Hazardous substances, Weight, Recycling and disposal and Lifetime reliability.

Specifications

Country of origin

- Made in: Poland and Romania

General specifications

- Coffee drinks: Café Crème
- Compatible coffee serving: SENSEO® Coffee pods
- Cups at the same time: 2
- Ease of use and comfort: Removable drip-tray, Brew stop, Automatic shut-off, Empty water tank indication
- Ease of cleaning & maintenance: Dishwasher-safe parts
- SENSEO coffee boost technology

Finishing

- Material drip tray: Plastic
- Material of spout: Plastic
- Material boiler: Metal & glass-filled polyamide
- Material water tank: Plastic
- Material of main body: Plastic

Design

- Color: Blue Hush

Sustainability

- Power consumption stand-by: 0.26 W

- Power consumption brewing: 1450 W
- Made of recycled materials: 90% (paperwork and packaging)

Service

- 2-year guarantee

Technical specifications

- Water boilers: 1
- Frequency: 50 Hz
- Brewing time two cups: <60 sec
- Brewing time one cup: 30 sec
- Capacity water tank: 0.7 L
- Max. cup height: 100 mm
- Cord length: 0.8 m
- Voltage: 220 - 240 V
- Pump pressure: 1 bar

Weight and dimensions

- Dimensions of product (WxDxH): 213 x 315 x 330 mm
- Weight of product: 1.70 kg
- Dimensions of packaging (WxDxH): 230 x 392 x 365 mm
- Weight incl. packaging: 2.3 kg
