# STEELWING

**STEELWING**

- **100% aluminium craftmanship with elegant style**

- **Panoramic side panel out of tempered glass**

- **ENERMAX patented circular-type LED fan**

Composed of a premium quality aluminum body, STEELWING comes with wing-shaped front panels and panoramic tempered glass side panel. STEELWING is a masterpiece of craftsmanship with elegant exterior design. This Micro-ATX aluminum case also serves as an excellent cooling enclosure for your precious hardware.

## Features

### Wing-shaped concept
Semi-open design with 7 stacked aluminum plates for optimized airflow

### Anodized and sandblasted aluminum surface
The anodized aluminum finish protects the case from corrosion and prevents fingerprints or scratches.

### Sturdy aluminum structure for excellent heat dispersion
Constructed out of a premium, solid aluminum body, STEELWING offers faster heat dissipation compared to steel PC cases.

*Heat dissipation rate of PC case material*

*Aluminum*     *3 X faster*

*Steel*

**Tinted tempered glass (3mm thick)**

A large panoramic glass panel gives you a full view of your internal rigs

**Patented circular-type LED fan**

ENERMAX patented circular-type LED fan (pre-installed) creates a stunning lighting effect and silent cooling performance.

**Versatile HDD & cooling configuration support**

· Front HDD bracket supports 1 x 3.5" HDD or 120mm liquid cooler/fan
· Rear HDD bracket supports 1 x 3.5"+ 1 x 2.5" HDD/SSD

**High speed transmission USB 3.0 for great connectivity**

STEELWING is built with 2x USB 3.0 front panel ports to satisfy your peripheral needs.

19 pin connector

**Supports high end VGA card (290mm max.)**

290mm

**Meshed front and top covers for better ventilation**
