FACT SHEET: ZERMATT - Air cleaner

Factors such as pollen, mites and dust lead to significantly poorer air quality at home than outside. With the intelligent air purifier **ZERMATT** you can increase your well-being within your own four walls in no time at all. The current air quality can be read at any time by means of a colour indicator. **ZERMATT** also convinces with its **quiet operation and low power consumption**.

The powerful air purifier is characterized by its sophisticated technology. In addition to the HEPA filter, ZERMATT can also clean your air even more effectively with the integrated water tank.
