CANTON

Smart Libero

HIGHLIGHTS

The perfect complement

The Canton Smart Libero speakers are compact wireless speakers for Canton Smart home cinema setups. Available in pairs, these add-on speakers are flexible in use and, when combined with Canton Smart soundbars and sound decks, the Canton Smart Connect 5.1 or the Canton Smart Amp 5.1, deliver thrilling surround or stereo sound.

Hands-on surround sound

The Smart Libero speakers are the perfect addition to your Canton Smart system: start with a Smart Soundbar, a Smart Sounddeck, the Smart Connect 5.1 or the Smart Amp 5.1. Using the Canton Smart app or the Canton Smart remote control, the Smart Libero speakers can be connected quickly and easily, allowing you to enjoy genuine surround and 3D sound.

Flexible use

The Smart Libero speakers adapt flexibly to your living space. Whether mounted on the wall, attached to the Canton LS 40 speaker stand, used as Atmos speakers or placed on a sideboard, their compact design allows them to be positioned in a variety of ways and integrated discreetly.

Discreet design – powerful sound

With their simple, elegant housing covered in 360° fabric, the Smart Libero speakers blend discreetly and harmoniously into any living environment. Thanks to their glass top and bottom, the Smart Libero speakers look particularly elegant when hung on the wall from all angles. Behind their minimalist look lies the finest Canton sound technology – for clear and dynamic sound that enhances any setup.
