Highlights

Lift & Cut blades

The Lift and Cut dual blade system lifts hairs to cut comfortably below skin level.

Super Lift & Cut action

The first blade raises each hair while the second blade comfortably cuts below skin level, for really smooth results.

LED Display

Indicates: Battery full, Battery low, Charging, Replace shaving heads, Quick charge

Dynamic Contour Response

Automatically adjusts to every curve of your face and neck for a smoother shave.

Fully washable shaver

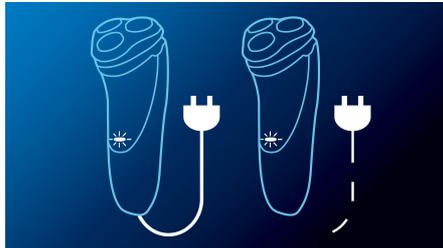

Simply pop the heads open and rinse thoroughly under the tap.

40+ shaving minutes

An energy-efficient, powerful lithium-ion battery gives you more shaves per charge. You'll have 40+ minutes of shaving time - that's around 14 shaves - after 8 hours of charging. Plug it in for 3 minutes and you'll have enough power for one shave.

Efficient power System

Can be used corded and cordless
