Select

A modern, chrome-finished kitchen faucet. It features a high-arc spout that curves forward and then down. The handle is a sleek, side-mounted lever. The faucet is mounted on a circular base. The overall design is minimalist and contemporary.

Technical drawing of the G 3/8" (Figure 10). The drawing shows two views of the component: a side view (left) and a front view (right). The side view includes dimensions: 281 (total height), 230 (height to the start of the bend), 260 (total width), 222 (width to the start of the bend), 133 (width to the start of the vertical section), 99 (width to the start of the horizontal section), 180 (height to the start of the horizontal section), 69 (height to the start of the vertical section), 225 (height to the top of the vertical section), 64 (diameter of the vertical section), 34 (diameter of the horizontal section), 60 (max. length of the horizontal section), and 840 (total length). The front view includes dimensions: 103 (width to the start of the bend), 159 (height to the start of the bend), 141 (width to the start of the vertical section), and 22 (diameter of the vertical section). The drawing is labeled "G 3/8" at the bottom.
