

5-INCH 360° ROTATABLE DISPLAY

VORTEX VIEW 360

ARGB Liquid CPU Cooler with Rotatable LCD Display

Stunning at Every Angle

Premium cooler with dynamic lighting and sharp design.

360° Rotatable Ball Joint

Freely adjust and lock the display angle with full-range rotation and built-in twist dial. No tools needed.

5" IPS Display

1280 × 720 resolution, 60Hz refresh, and 300 nits brightness. Perfect for showcasing system stats, animations, or media. Designed for crystal-clear visibility through case windows at any angle.

RGB Backglow System

An addressable RGB panel behind the display delivers customizable ambient lighting across the pump block and surrounding components. Sync via Antec iUnity or set custom lighting zones.

Quiet Pump Acoustics

Up to 30% quieter than previous-generation models, the Vortex View pump is engineered for low-resonance operation and delivers sub-14 dBA acoustics at 2800 RPM.

9th Gen Asetek Cooling Platform

Supports overclocking up to 400W TDP with a redesigned pump and impeller that improve thermal efficiency, reduce vibration, and enable dynamic temperature control.

Elastic and Durable High-Density Tubing

Durable tubing protection against external damage.

Ready-to-Install Cooling

Pre-applied thermal paste ensures proper contact and effortless installation.

Brand-New iUnity 2.0

Take full control of your system with iUnity 2.0—adjust fan and pump curves, customize per-zone RGB lighting on the Vortex View, and personalize what's shown on the panel.

USB 3.0 Hub with Passthrough

Easily connect the pump to your motherboard while keeping front-panel USB ports accessible.

Thermal Contact Optimization

Designed for optimal contact and efficient thermal transfer. Better cooling starts with proper orientation: 6 o'clock for Intel, 3 o'clock for AMD.

Package Contents & CPU Socket Compatibility

Intel	LGA115X/1200/1700/1851
AMD	AM4/AM5

Vortex View 360

SPECIFICATION	
Cooling Type	Water Cooling
FAN	
Fan Type	PWM Fan
Dimensions	120 x 120 x 25 mm
Bearing Type	FDB Bearing
LED Type	None
Fan Speed	400±100~2000±150 RPM
Airflow	59.23 CFM
Air Pressure	2.46 mmH ₂ O
Fan Noise Level	≤ 28.6 dB(A)
Lifespan	50,000 hours / 25°C
Connector	4-pin PWM
Rated Voltage	DC 12 V
Operation Voltage	DC 7.0 ~ 13.8 V
Rated Current	≤ 0.2 A
RADIATOR	
Dimensions	394 x 120 x 27 mm
Material	Aluminum
PUMP	
Noise Level	≤ 27 dB(A)
Lifespan	50,000 hours
Connector	PUMP: 4-pin Molex
MISCELLANEOUS	
Socket Compatibility CPU	Intel : LGA115X/1200/1700/1851 AMD : AM4/AM5
Warranty	6 Years
UPC#	0-761345-40064-0 (Made in China) 0-761345-40068-8 (Made in Malaysia)
