Micro USB Port Blocker Set for Micro USB female 5 pieces + lock tool

Description

With this Micro USB Port Blocker Set by Delock Micro USB sockets can be secured against unauthorized access. The **port blockers housed inside the tool** are placed on the tip and pushed into the Micro USB port, blocking the Micro USB socket. A total of 5 Micro USB ports can be blocked with the set. Access by cables or similar to the port are then no longer possible. To open the lock, the included tool is required.

Practical design with eyelet
The shape of the tool is reminiscent of a USB stick and, with the eyelet at the rear end, offers the possibility of attaching the port blocker to a key ring, for example.
