- **Height adjustment:** 10 levels of tool-free height settings up to 540 mm.
- **Ergonomic positioning:** Freely adjust height for a more comfortable setup.
- **Stable base:** Non-skid silicone pads help keep the stand secure.
- **Cable management:** Built-in routing keeps wires organized.

Description

The 17"-32" Free-Standing Monitor Stand is a compact yet sturdy solution for raising your LCD/LED monitor to a more ergonomic viewing height. With 10 tool-free height settings, it allows you to easily position the screen at eye level, helping reduce neck and eye strain during long hours of use. The free-standing base keeps your monitor stable without requiring any drilling or clamping, making setup fast and simple.

Designed for home offices, workstations and study setups, the stand supports flexible screen rotation and includes built-in cable management to keep wires neat. Non-skid silicone pads improve stability and protect the desktop surface. With VESA compatibility

and a clean, functional design, the 17"-32" Free-Standing Monitor Stand offers an easy way to upgrade comfort and workspace organization.
