ZOTAC GAMING presents the ultimate gaming handheld for those who demand the best. Equipped with the AMD 8840U processor built on the AMD Zen 4 architecture and Radeon graphics, the ZONE gives gamers a premium AAA gaming experience even on the go. And with advanced elite controls like the 2-stage adjustable triggers, which allow gamers to switch from a full-range analog trigger to a hair trigger for immediate response, as well as radial dials, which allow gamers to adjust system settings on the fly, the ZONE gives you the hardware to be on top of your game anywhere you go.
