

## SPECIFICATIONS

|                           |                                                                                    |
|---------------------------|------------------------------------------------------------------------------------|
| <b>Model Name</b>         | H410M PRO-VH                                                                       |
| <b>CPU Support</b>        | Supports 10 <sup>th</sup> Gen Intel® Core™ and Pentium® Gold / Celeron® processors |
| <b>CPU Socket</b>         | LGA 1200                                                                           |
| <b>Chipset</b>            | Intel® H410 Chipset                                                                |
| <b>Graphics Interface</b> | 1x PCI-E 3.0 x16 slot                                                              |
| <b>Display Interface</b>  | HDMI, VGA - Requires Processor Graphics                                            |
| <b>Memory Support</b>     | 2 DIMMs, Dual Channel DDR4-2933 MHz (Max)                                          |
| <b>Expansion Slots</b>    | 1x PCI-E 3.0 x1 slot, 1x M.2 E Key supports Wi-Fi module                           |
| <b>Storage</b>            | 1x Turbo M.2 32Gb/s slot,<br>4x SATA 6Gb/s                                         |
| <b>USB ports</b>          | 4x USB 3.2 Gen 1 5Gbps (Type-A) + 6 x USB 2.0                                      |
| <b>LAN</b>                | Intel® I219V Gigabit LAN                                                           |
| <b>Audio</b>              | 8-Channel (7.1) HD Audio with Audio Boost                                          |

## FEATURES

### CORE BOOST

#### Core Boost

With premium layout and optimized power design to support more cores and provide better performance.

### DDR4 BOOST

#### DDR4 Boost

Advanced technology to deliver pure data signals for the best gaming performance and stability.

### EZ DEBUG LED

#### EZ Debug LED

Easiest way to troubleshoot.

#### PCI-E Steel Armor

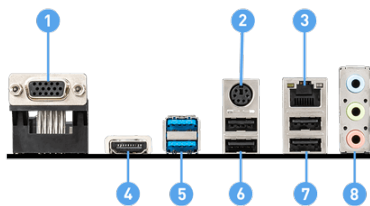

Protecting VGA cards against bending and EMI

### AUDIO BOOST

#### Audio Boost

Reward your ears with studio grade sound quality for the most immersive audio experience.

## CONNECTIONS

- |                               |                     |
|-------------------------------|---------------------|
| 1. VGA                        | 2. Keyboard / Mouse |
| 3. LAN                        | 4. HDMI             |
| 5. USB 3.2 Gen 1 5Gbps Type-A | 6. USB 2.0          |
| 7. USB 2.0                    | 8. Audio Connectors |
