

ICY BOX IB-2502CL-U3

2 bay Docking and CloneStation for 2.5" SATA HDD and SSD

Key features

- Bootable SSD/HDD cloning without PC (stand alone)
- HDD/SSD Docking and CloneStation with integrated USB cable (50 cm length)
- Supports 2.5" SATA HDD/SSD, capacity unlimited
- Supports SATA III, 6 Gbit/s
- USB 3.0 host interface with up to 5 Gbit/s and UASP
- LED for power and HDD/SSD access
- Plug & Play and HotSwap

Packing content

1x IB-2502CL-U3, 1x wall power supply, 1x manual

JBOD Docking- and Clone Station

Connecting a lot of different SSDs to your devices is a good reason to use this double docking station. It can hold two 2.5" SATA HDDs and SSDs. The 2.5" HDDs might have a height of 12.5 mm, even 15 mm. The springs will hold your storage medium safely in place. USB 3.0 and UASP Support accelerate the transfer of huge data, e.g. of movies, enormously.

Technical data

Model	IB-2502CL-U3
Article no.	60135
EAN code	4250078164692
Brand	ICY BOX
Colour	Black
Material	Plastic
Chipset	JMS561
HDD/SSD interface	2x 2.5" SATA
External data interface	1x USB 3.0, integrated cable: USB Type-A (host PC). Compatible with USB 2.0

UASP support	Yes
Transfer rate	Up to 5 Gbit/s
HDD capacity	Unlimited
HotSwap	Yes
Plug & Play	Yes
Operating system	Windows, macOS
LED	Power/access/clone progress
Power supply	Power AC 100-240 V, 50/60 Hz to DC 5 V/2 A
Power switch	Yes

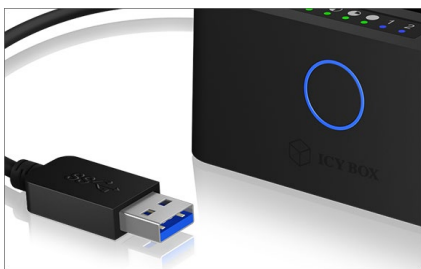

ICY BOX **IB-2502CL-U3**

2 bay Docking and CloneStation for 2.5" SATA HDD and SSD

Time savings

The IB-2502CL-U3 offers space for two 2.5" hard drives or SSDs and holds them in place with a spring mechanism for maximum stability. You can write or read them at the same time which can save a significant amount of time. The hard disk capacity is unlimited.

Informed

Six colored LEDs inform the user about the status of the cloning operation, and the hard drives at any time. If nothing is being cloned, the USB 3.0 Standard can reach transfer rates of up to 5 Gbit/s. The hard drives are detected and displayed independently.

Standalone cloning

This function is maintained when the docking station is separated from the PC. The disks are then cloned without PC connection. The power cord should still remain connected though.

Logistical data

Packing unit:	40 pcs./carton
Total weight:	14.0 kg/carton
Gross weight: (with packing):	0.325 kg
Net weight:	0.150 kg

Dimension/carton:	420x255x440 mm
Dimension (with packing):	200x105x45 mm
Dimension of article:	93x87x43 mm
Country of origin:	China
