

SILVERSTONE

ECS07

5-Port SATA Gen3 6Gbps Non-RAID M.2 PCIe storage expansion card

- Support 5 SATA Gen3 6Gbps ports
- Aluminum alloy heatsink for great stability and heat dissipation
- M.2 PCIe (NVMe) interface
- Support device sleep power management
- Plug & play with no additional driver necessary
- Support SATA plug-in detection
- Comply with SATA Specification Revision 3.2.

Specifications

Model Number	SST-ECS07
Drive Support	SATA hard drive
SATA Ports	5
SATA port bandwidth	Up to 6Gbps
Controller	JMicron JMB585
Connector interface	M.2 PCIe Gen3x2
PCI-E bandwidth	Up to 16GT/s
Net Weight	23g
Dimensions	24.8mm (W) x 10.3mm (H) x 80.5mm (D) 0.97" (W) x 0.41" (H) x 3.17" (D)
