

# HP V19 HD Monitor

An everyday monitor that's easy on you.

Browse the web, stream your shows, get some work done, and save space on your desk with the compact HP V19 HD Monitor that adjusts to your comfort needs and delivers HD picture quality in highly affordable style.

**Crisp, clear images and essential connectivity.**

Get rich color and sharp details for your documents, videos, e-mail, and more on an 18.5" diagonal HD screen. Connect to a legacy PC without a dongle through the VGA port.

**Adjust your view.**

Tilt the screen up to 5° forward or 22° backward to find your best viewing position.

**Color-coded comfort.**

See your screen in a whole new light with HP Low Blue Light, which shifts the color spectrum for more comfortable viewing during your next binge watch or marathon project.

---

## Featuring

### **Adjust your view**

Adjust the screen to your personal preference with a 5-degree forward or 22-degree backward tilt.

### **Low blue light**

Using the Low Blue Light mode subtly shifts your display's colors to a warmer spectrum, while making whites more natural and putting less strain on your eyes.

### **TN panel**

Enjoy the latest action movie or high-octane video game with the low pixel latency and snappy response times of this TN panel.
