Extension cable SATA 6 Gb/s receptacle straight > SATA plug straight 100 cm blue latchtype

Description

This SATA cable by Delock complies with the latest standard and supports a data transfer rate of up to 6 Gb/s. It enables you to extend the SATA interface and can be used for connection of your devices with SATA 7 pin port. Furthermore the SATA 6 Gb/s interface is downwards compatible to the former SATA versions, whereas you can only achieve the respective transfer speed. The metal clip on the receptacle and the clearance on the plug ensure that the cable reliably clicks into place.

Item no. 84975

EAN: 4043619849758

Country of origin: China

Package: Zip poly bag
