

Eco Backpack SCALE 15-17.3

A sustainable lightweight that can hold 24.5 litres.

Lived sustainability with a clear conscience - the products of the SCALE family are manufactured from recycled PET and are kind to the environment. Consistent recycling helps to conserve resources. At DICOTA, it's the foundation of our innovative solutions. Within the main material of the Backpack SCALE, 13 PET bottles are given a new life - without compromising on quality, functionality or design. The backpack offers excellent protection for your devices and is comfortable and easy to carry. Designed for daily use. Equipped with practical functions that make your life easier. <break><break>
