

The **IPC K240L** is the perfect rack for a low-priced server system. The excellent quality of the materials combined with superb workmanship establishes the basis for a very variable case.

The **IPC K240L** offers the possibility to mount an ATX power supply with 80mm fan as well as four 3.5", two 2.5" HDDs and one 5.25" external drive.

Furthermore the **IPC K240L** provides two 80mm fans and perforated slot brackets for excellent cooling.

Both serial USB 3.0 front connectors round off the whole package.
