Wireless Optical Mouse

1310

This stylish and compact wireless mouse transmits using the proven advanced 2.4 GHz standard. The high-resolution 1200 DPI sensor offers total control and maximum precision. Thanks to Rapoo's latest energy-saving technology 1310 lasts up to 12 months, saving

you from the hassle of changing batteries. What's more, the nano USB receiver can be stored safely and conveniently in a compartment on the base when the mouse is not in use.

► **Reliable 2.4 GHz wireless connection**
Carefree wireless: The proven advanced 2.4 GHz standard offers you a range of up to 10 m and 360° coverage.

► **High resolution 1200 DPI sensor**
Enjoy total control: The high-performance 1200 DPI optical sensor offers you smooth and accurate mouse-pointer control.

► **Up to 12 months battery life**
Low energy consumption: Rapoo's energy-saving technologies, means you can use this mouse continuously for up to 12 months.
