

ALSEYE Halo 3.0 Plus Fan Set – hello color!

The three 120mm RGB fans of the Halo 3.0 series from ALSEYE impress with their novel design and are each equipped with 16 RGB LEDs. Both the effects and the speed of the fans can be controlled using the included remote control. If that's not enough, you can also manage and control all RGB LEDs synchronously via the motherboard using the integrated 3pin 5V RGB header (addressable RGB LEDs).

Rubberized pads below the mounting holes reliably prevent the fans from transmitting vibration to the PC case, ensuring smooth operation at up to 1500rpm and 23dBA.

The set can easily be extended with up to 7 additional optional ALSEYE Halo 3.0 fans.

- ✓ Radio remote control (about 8m range)
- ✓ 16 bright RGB LEDs per 120mm fan
- ✓ Control unit for up to 10 Halo 3.0 fans
- ✓ Rubberized pads for vibration-free operation

Specifications

Fan dimensions (H/W/D)	25/120/120mm
Fan speed	900/1500rpm
Rated voltage	12V
Air flow/ fan	90.90cbm/h
Noise level/ fan	23dBA
Connector	S-ATA
Bearing type	Hydraulic
Package dimensions (H/W/D)	130/140/120mm
Weight (net.)	530g
Weight (gross)	605g
Packing units (VE/VPE/PAL)	1/27
Warranty	12 Months
Article number	88885542
EAN-Code	4897059874180
Scope of delivery	3x Halo 3.0 fan

Control unit for up to 10 fans and two LED strips
(adhesive attachment)

RF wireless remote control

Power cord for control unit

(Connection via S-ATA)

Connection cable for 3pin 5V RGB header

Fan screws

Features

3x Halo 3.0 fans with each 16 RGB LEDs included
Expandable to a total of 10 fans and two LED strips
Controllable via enclosed remote control
3pin RGB header connector for 5V RGB motherboard control
Rubberized fan corners for vibration-free operation
