## 6x External Blu-ray Disc COMBO

## Enjoy Blu-ray movies anytime, anywhere!

Connect the ultra-light eSEU206 to your notebook and experience immersive Blu-ray movies wherever you travel. This slender BD-Combo external drive is designed for portability, giving you high definition Blu-ray movie playback* with the reliability of Lite-On's DVD burning technology. Conveniently powered by USB 2.0 the stylish drive needs no additional power adapter making it the perfect travel companion for movie lovers.

Optimized for smooth Blu-ray playback the six-speed drive brings high-quality high-definition movies to laptop PCs.

Simple stylish curves, a beautiful brushed metallic finish, and a weight of only 350 grams combine into an attractive drive that is a pleasure to carry. For more convenient disc purchasing when traveling the drive is also designed with Su ompat-ibility enabling it burn any writable format of DVD or CD.

Whether you want to enjoy your high definition movies on the train, backup files in your hotel room, or create video DVDs on the plane, the light compact eSEU206 is the perfect way to experience the brilliance of a Blu-ray combo anytime, anywhere.

*Computer must meet requirements to be able to play Blu-ray discs and playback will be at the maximum resolution of the screen up to 1920x1080 pixels

### Product Features

- HD Blu-ray Anytime - Developed to provide smooth high-quality Blu-ray HD playback. Go beyond the limitations of DVDs and downloads, experience perfect Blu-ray movies in high detail with rich vibrant colors and fantastic quality sound
- Convenient USB Power - Takes power directly from the computer's USB ports and doesn't require an additional power adapter, making the drive more convenient for travel
- Travel Light - With a weight of only 350 grams you get the combination of a Blu-ray player and practical DVD burner in lightweight package that is easy to carry
- Small and Portable - The eSEU206 is elegantly compact, fitting into any bag or briefcase. At its thickest the drive is a mere 21 mm, and with its 145mm x 155mm dimensions it requires hardly any space
- Attractive design - With its stylish curved design, touch of elegance, and brushed metallic finish the eSEU206 has the aesthetic beauty that complements any laptop.
