Product Details

How To Wear the Helmet

① Position the helmet on your head with the front covering your forehead.

② Position the strap adjuster centered, just below your ears.

③ Position the helmet low on your forehead with the buckle under the chin and back against the throat. The straps should fit comfortably around both ears.

④ After removing the chinstrap pad, adjust the chinstrap tension at the buckle so the chinstrap is tight and comfortable by pulling the chinstrap end through the buckle to either tighten or loosen as needed.

- For more information about **"How To Wear the Helmet"**, refer to the User's Guide.

Answer a Call

End a Call

Reject a Call

Voice Dial

in stand-by mode

Music Control

Play/Pause

Track Forward

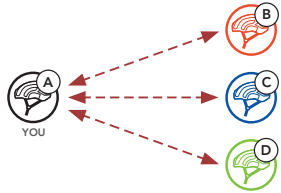

Track Backward

Bluetooth Intercom

Up to three other people can be paired with the Bluetooth system for Bluetooth intercom conversations.

Intercom Pairing

There are two ways to pair the Bluetooth system.

Using the Smart Intercom Pairing (SIP)

SIP allows you to quickly pair with your friends for intercom communication by scanning the QR code on the **Sena Utility App** without remembering the button operation.

① Pair the mobile phone with the Bluetooth system.

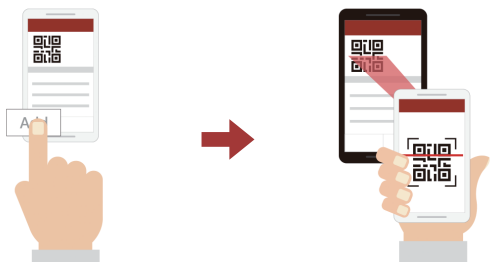

② Open the **Sena Utility App**.

③ Click the **Smart Intercom Pairing Menu**.

④ Click the **Add Button** to open the QR scanning screen.

⑤ Scan the **QR code** displayed on your friend **(B)**'s mobile phone.

- Your friend **(B)** can display the QR code on the mobile phone by opening the **Sena Utility App** and clicking the **Smart Intercom Pairing Menu**.

⑥ Click the **Confirm Button** and check that your friend **(B)** is paired with **you (A)** correctly.

⑦ Repeat steps 4-6 to pair with **Intercom Friends (C)** and **(D)**.

Note: The **Smart Intercom Pairing (SIP)** is not compatible with Sena products that use **Bluetooth 3.0** or **below**.

Using the Button

① **Users (You, B)** enter into **Intercom Pairing**.

Blinking

"Intercom Pairing"

② Tap the **Center Button** on either Bluetooth system.

Turns blue

Confirms intercoms are paired

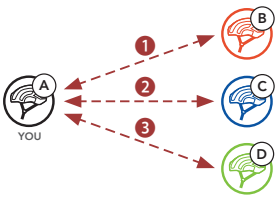

③ Repeat the step above to pair with **other Bluetooth systems (C and D)**.

Last-Come, First-Served

If a Bluetooth system has multiple paired Bluetooth systems for intercom conversations, the last paired Bluetooth system is set as the first intercom friend.

Intercom Pairing Order

Last-Come, First-Served

Two-way Intercom

Start/End Conversation with the First Intercom Friend D

Start/End Conversation with the Second Intercom Friend C

Start/End Conversation with the Third Intercom Friend B

LED Taillight
