About FSP

Founded in 1993 and is ranked as one of the world's leading power supply manufacturers. With a production capacity that complements a complete product line, FSP is well positioned to solve the various power supply needs of consumers. Among all manufacturers, we are the world's top holder of 80 PLUS certifications. Our best-in-class environmentally friendly and high-quality power products offer consumers a means to enjoy technology while minimizing the impact on the environment.

SFX PRO

350W
450W

SMALL BUT PERFECTLY FORMED

Details Make Perfection

The all black coating round cables give your system a superior look rather than so many entry-level power supplies.

Low Noise, Less Heat

The intelligent fan speed control enables optimal cooling, and keep your system silent under maximum operation.

Easy Installation

PS2 bracket allows users to fit the SFX power supply into ATX, Micro-ATX, or Mini-ITX chassis.

Power Rating

Model	+3.3V	+5V	+12V	-12V	+5Vsb	Total Power
