Removes creases quickly and easily

- Ultra-dry, hot steam delivers crease-free results easily, reliably and quickly.
- When working with thicker fabrics or stubborn creases, even more heat and additional pressure can be applied with the metal plate for effective results.

Refreshes between washes

- Steam has an odour-neutralising effect, which makes the steam straightener perfect for refreshing fabrics between washes.
- Ideal for freshening up a garment or home textiles after they have been stored in the wardrobe or cupboard for a long time.

No ironing board needed

- Garments can simply be hung up on a hanger and steamed.
