MediaRange 4-Port USB-C® Hub, 3x USB-C 3.2 Gen 1 Data Ports, 1x USB-C Power Delivery Pass-through Port (100W max.), Silver

The MediaRange 4-Port USB-C Hub expands a single USB-C port into three high-speed USB-C data ports and one USB-C Power Delivery pass-through port. It provides a practical solution for connecting multiple USB-C storage devices and accessories to compatible laptops, tablets and smartphones.

The three USB-C data ports support USB 3.2 Gen 1 with data transfer rates of up to 5Gbps for fast and reliable file transfers. The dedicated USB-C Power Delivery pass-through port supports power input of up to 100W, allowing the connected host device to be charged while the hub is in use.

Its compact and lightweight aluminium housing with integrated 8cm cable makes the hub ideal for use at home, in the office or while travelling. USB OTG and Plug & Play support allow easy operation without additional driver installation.

The hub supports data transfer and Power Delivery pass-through charging only. It does not support video output.

FEATURES

Key Features

- Expands one USB-C port into three USB-C data ports and one USB-C Power Delivery pass-through port
- Three USB-C 3.2 Gen 1 data ports
- Data transfer rates of up to 5Gbps
- USB-C Power Delivery pass-through with up to 100W input
- Supports USB OTG and Plug & Play
- No additional driver installation required
- Compact aluminium housing with integrated 8cm cable
- Compatible with Windows, Mac OS, Linux and Android
- Suitable for laptops, tablets and smartphones
- Does not support video output

Technical Specifications

- Interface: USB-C
- Ports:
 - 3x USB-C data ports
 - 1x USB-C Power Delivery pass-through port
- USB standard: USB 3.2 Gen 1
- Data transfer rate: up to 5Gbps
- USB-C data port output: 5V ? 900mA max. per port
- Power Delivery input: 20V ? 4.75A max. / 100W max.
- Supported functions: USB OTG, Plug & Play
- Compatibility: Windows, Mac OS, Linux, Android
- Material: Aluminium and ABS
- Dimensions: 26 × 8.5 × 101mm
- Cable length: 8cm
- Weight: 27g
- Operating temperature: -15°C to +45°C
- Relative humidity: 20% to 95% RH, non-condensing
- Colour: Silver

APPLICATIONS

Notes

Charging performance depends on the connected power adapter and device. Data transfer rates of up to 5Gbps may vary depending on the system, connected devices and usage conditions. The Power Delivery port is intended for pass-through charging only. The three additional USB-C ports are intended for data transfer and do not support video output.
