

SCCT-1000 超天 CHOTEN CPU COOLER

Choten Product Spezifications

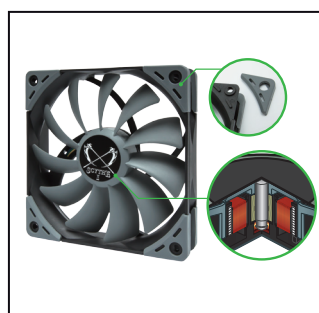

E.C.M.S II (Easy Clip Mounting System II)

The Choten CPU Cooler is equipped with the E.C.M.S II (Easy Clip Mounting System II) which offers support for AMDs latest AM4 socket as well as a wide range of other Intel and AMD sockets. The second generation of the E.C.M.S is designed for ease of use and fast installation. To achieve this, the mounting system consists of only two parts.

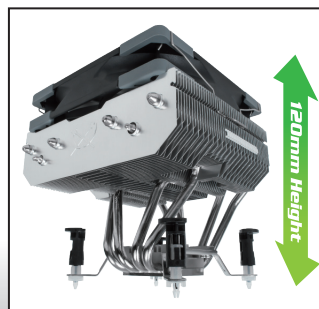

Kaze Flex 120 PWM Fan

The Kaze Flex 120 PWM fan uses a proprietary design with a FDB (Fluid Dynamic Bearing) for a quieter and more reliable operation with over 120 000 hours of lifespan. The corners of the frame are covered by a rubber spacer to eliminate the transfer of any vibration inside the chassis and any unwanted sounds from the blade movement.

Asymmetric design and low height

The Choten CPU Cooler features a top flow design with the advantage of providing active cooling to the CPU power delivery components on the motherboard. The radiator is offset to improve the RAM compatibility while also maintaining a balanced shape for the cooler. In addition, the cooler has a height of only 120 mm with the fan installed, thus being compatible with a wide range of PC chassis.

Technical Data

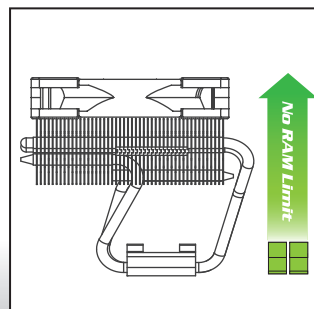

Weight	550 g / 19.4 oz (incl. Fan)
Dimension (WxDxH)	130x130x120mm / 5.12x5.12x4.72 in (incl. Fan)
Fan Dimension (WxDxH)	120 x 120 x 27 mm / 4.72 x 4.72 x 1.06 in
Fan Speed	300 upm (±200) ~ 1.200 upm (±10%)
Noise Level	4.0 ~ 24.9 dBA
Airflow	16.6 ~ 51.17 CFM 28.20 ~ 86.94 m³/h
Compatibility	Intel LGA775/115x/1366 AMD Socket AM2(+)/AM3(+)/AM4/FM1/FM2(+)

Accessories

Mounting parts for Intel- & AMD sockets, thermal grease, fan, fan clips, manual

Package Weight	800 g / 28.22 oz
Package Size (WxDxH)	176 x 147 x 170 mm / 6.93 x 5.79 x 6.70 in
Carton Info (WxBxH)	12 pcs. / 12.1 kg / 26.68 lbs 62 x 39 x 38 cm / 24.41 x 15.35 x 14.96 in

Artikel Nummer	SCCT-1000
EAN	4571225056524
UPC	812623020934
