NOTEBOOK COOLER BASIC

ACCESSORIES

Staying Cool Has Never Been So Simple!

Slender and durable, the Notebook Cooler Basic offers a versatile and portable way to cool up to 14" notebooks anywhere, reducing the operating temperature of your notebook through a lightweight passive cooling solution. Its aluminum construction dissipates heat, and a perforated design facilitates natural airflow for silent and effective cooling, ensuring more durability and stability for your notebook. Plus, the flip-up stand angles your device, providing wrist relief. Stay cool the easy way with Antec's Notebook Cooler Basic.

Features:

- Suitable for all Mac and PC notebooks with screens up to 14"
- Perforated aluminum construction promotes passive cooling
- Slim, lightweight design for ultimate portability
- Flip-up stand angles your notebook and minimizes wrist and eye strain
