Wired Mouse - Portable USB Mouse for Laptop and Computer at Home or Office

The Manhattan Comfort II Wired Optical USB Mouse offers reliable performance in a durable, practical design. Its compact size, and familiar configuration (three buttons with scroll wheel) make it ideal for daily computing needs. Its precise 1000 dpi optical sensor offers smooth, lag-free control on almost any surface for a wide range of computing tasks.

Plug & play and all you need

The portable, compact design of this Wired Mouse allows it to easily fit into laptop-bag pockets. Plug-and-play capability with Windows[®], Mac[®], Linux[®], and Chrome OS[™] compatibility makes installation quick and easy. An ambidextrous shape help this Wired Mouse feel right at home in the palms of right- and left-handed people.

Features:

- Precise optical sensor with 1000 dpi for lag-free control on almost any surface
- Ambidextrous design for left- and right-handed users
- 1 m (3 ft.) cable with USB-A plug for reliable performance and no need to change batteries
- Three buttons and smooth scroll wheel with great tactile response
