ABOUT UNILUX

Founded in 1952, UNILUX is a French company specializing in lighting and ergonomics. Over the past 25 years, UNILUX has become a benchmark in the field of lighting in France and throughout Europe. In 2000, UNILUX joined the French group HAMELIN, a European leader in stationery. The company modernizes and evolves to become a creator of ambiance and well-being.

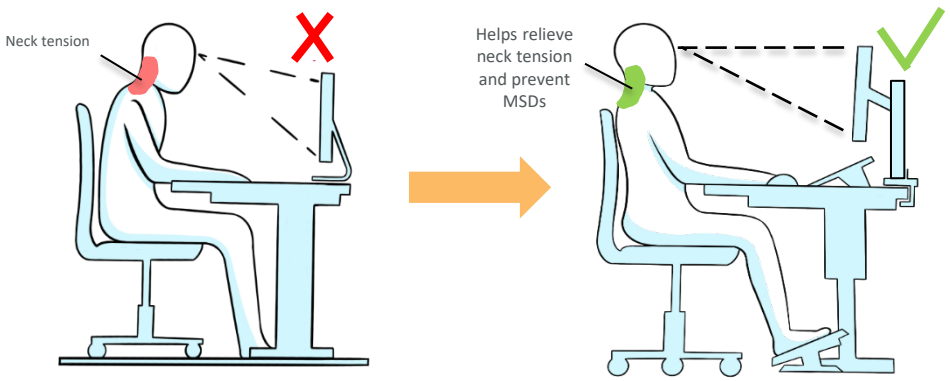

OUR EXPERTISE

When Unilux combines design, lighting, and ergonomics, efficiency meets well-being.

Unilux is reinventing the workspace with an innovative concept: the combination of ergonomics and our lighting expertise. The result? Exceptional products with refined design and innovative features.

The monitor arm optimizes space while improving posture. It frees up the desk, encourages natural positioning, and reduces eye strain, neck and back tension—ensuring lasting comfort and increased productivity.

A true signature product, the STRATA desk lamp reflects our lighting expertise and integrates multiple features to provide optimal lighting comfort throughout the day.

OUR CSR COMMITMENTS

Unilux focuses on sustainable development and takes concrete measures to reduce its environmental footprint and best meet the evolving expectations of its consumers.

We are notably committed to reduce our greenhouse gas emissions by 29% between 2021 and 2030 in response to the "Net Zero Carbon Emissions by 2050" challenge. Eco-design, emissions reduction, and continuous improvement are at the core of our concerns.
