

Surface Laptop 3

Fact Sheet
October 2019

Introducing Surface Laptop 3, the perfect everyday laptop now available in two sizes — 13.5-inch and 15-inch. Sleek and lightweight, Surface Laptop 3 is twice as fast as previous generations with a choice of two elegant keyboard finishes, new color option and a vibrant PixelSense™ Display to bring your ideas to life. Surface Laptop 3 is ready when you are with greater multitasking performance, Fast Charging and all-day battery life¹ with standby. Surface Laptop 3 15-inch brings a larger display to the Surface Laptop family with an elegant, all-metal design and strong graphics performance powered by a custom AMD processor.

Top Features and Benefits

- **Style and design.** Complement your style with rich tone-on-tone color combinations in new Sandstone, plus Matte Black, Cobalt Blue and Platinum. Now available in two durable keyboard styles — rich, warm Alcantara® material or a cool, new metal. There's a Surface Laptop 3 to match everyone's style.
- **All-day comfort.** With industry-leading typing comfort and all-day battery life, Surface Laptop 3 will get you through your day and with Fast Charging — charge your device to 80% in about one hour². Whether you're blogging, browsing, creating a presentation or just catching up, enjoy easier navigation on the new, 20% larger trackpad.

- **Made for modern work.** Surface Laptop 3 features Instant On, USB-C™ and USB-A ports and dual far-field Studio Mics for great Microsoft Teams calls and dictation in Office. And with Surface Laptop 3, you can have more control over your sensitive information with a removable hard drive for data retention³.
- **Performance.** Experience more power than ever with faster multitasking and improved graphics. Surface Laptop 3 15-inch features custom AMD processors to help with industry-leading integrated graphics performance, while Surface Laptop 3 13.5-inch features the latest 10th Generation Intel® Core™ Processor for improved speed and performance.
