MPN: VLFS55100M

# Pro Mobile Motorized Stand, Max 110kg, Up to VESA 1000x600

Vivolink Height-Adjustable TV Cart with Motor and Decorative Panels

Bring effortless flexibility to meeting rooms, classrooms, and presentation spaces with this Vivolink motorized TV cart. Built with heavy-duty construction for long-lasting strength and durability, it features a powerful motor designed for stable, smooth height adjustment. A remote control is included, making it easy to move the display to the right position without hassle.

The cart's free-tilting design allows quick forward or backward adjustment for improved viewing comfort and reduced glare. For better video calls and hybrid meetings, it also includes a height-adjustable camera shelf, helping you achieve clearer framing during meetings and presentations. A sturdy base with a streamlined design supports both durability and a clean, modern look, while heavy-duty lockable casters let you roll it where you need it and secure it in place when you do.

Typical usage is schools and universities.
Easy Wheelchair access and easy to move screen from one room to another.

The height adjustment ensure optimal positioning especially for touch screens where both kids and adults need to interact on the screen.

Data:
Typical screen size 55"-100"
