FACT SHEET : OFR5A MINI - Radiator

Perfect for personal use, our **OFR5A MINI** oil radiator is a convincing choice thanks to its **express heat** and the use of **environmentally friendly oil** in every respect.

The **OFR5A MINI** oil radiator distributes cosy warmth on cold, frosty days and lets you forget the cold. The mini radiator not only has an attractive design, but also has a **thermostat**, which can be adjusted in various stages. Thanks to the **overheating protection**, the unit switches off automatically if it gets too hot.
