Product information

CDs and DVDs, credit cards and loyalty cards can be easily shredded through the separate CD cutting unit. In the separate CD waste container, the shredded material is separated and is...

The automatic reverse eliminates paper jams and ensures a smooth operation.

The LED indicator shows the device's operating status: Power, Overload, Overheat.

Quiet operation

The quiet operating mode minimises noise development at the workplace which is an important consideration for your staff.

Automatic start/stop

The operation is very easy: the device starts automatically when fed paper and automatically stops after shredding is complete.

Filling level indication

The filling level of the waste container can be seen at all times through the inspection window (expect HSM shredstar S5).

Effortless emptying

To empty the waste container, the housing top can be easily removed.

quiet operation
