

# Acer Nitro V 17 AI

(ANV17-41-R4CJ)

- Processor: AMD Ryzen™ 7 260
- Display: 17,3" Full HD IPS 144 Hz (none glare)
- Memory: 16 GB DDR5 RAM
- Mass storage: 1.000 GB PCIe Gen4 SSD
- Graphics card: NVIDIA® GeForce RTX™ 5070
- Operating system: Linux (eShell)

## Acer ANV17-41-R4CJ

## SPECIFICATIONS

### Ordering Information

| Short description | 17,3" Full HD IPS 144 Hz (none glare) / AMD Ryzen™ 7 260 / 16 GB DDR5 RAM / 1.000 GB PCIe Gen4 SSD / NVIDIA® GeForce RTX™ 5070 / Linux (eShell) / Obsidian Black |

### Operating System

|                  |                |
|------------------|----------------|
| Operating System | Linux (eShell) |
|------------------|----------------|

### Housing

|                            |                                       |
|----------------------------|---------------------------------------|
| Housing / Color            | Obsidian Black                        |
| Component door             | -                                     |
| Dimensions                 | 400.85 x 275.62 x 24.0 mm (W x D x H) |
| Weight                     | 2.71 kg                               |
| Passively cooled (fanless) | -                                     |

### Display

|                             |                                                                           |
|-----------------------------|---------------------------------------------------------------------------|
| Display size                | 17.3 inches (43.94 cm)                                                    |
| Display type                | Acer ComfyView™ Full HD IPS Display 144 Hz with LED-Backlight (non glare) |
| Display resolution in pixel | 1.920 x 1.080                                                             |
| Aspect ratio                | 16:9                                                                      |

### Processor

|                            |                                                                |
|----------------------------|----------------------------------------------------------------|
| Processor                  | AMD Ryzen™ 7 260 processor                                     |
| Clock frequency            | 3.8 GHz base clock (Up to 5.1 GHz max. performance clock rate) |
| Cache                      | 16MB                                                           |
| Processing cores / threads | 8 / 16                                                         |
| NPU                        | AMD Ryzen™ AI (bis zu 16 TOPS)                                 |

### Storage and drives

|                      |                                                 |
|----------------------|-------------------------------------------------|
| Memory               | 16 GB DDR5 RAM                                  |
| Memory configuration | 1 x 16 GB DDR5 RAM                              |
| Maximum RAM          | Up to 32 GB DDR5 RAM (2x 16 GB soDIMM)          |
| Mass storage         | 1.000 GB PCIe Gen4 NVMe Solid-State-Drive (SSD) |

### Graphics card

|                                |                           |
|--------------------------------|---------------------------|
| Graphics card                  | NVIDIA® GeForce RTX™ 5070 |
| Graphics card memory dedicated | 8GB GDDR7 VRAM            |

### Connections

|                         |                        |
|-------------------------|------------------------|
| LAN                     | Killer™ Ethernet E2600 |
| Wireless LAN            | Wi-Fi 6E (802.11 ax)   |
| Wireless WAN / SIM-Card | -                      |
| Wireless Gigabit        | -                      |
| Bluetooth               | Bluetooth® 5.3         |
| NFC                     | -                      |

### I/O ports

|                   |                                                                                     |
|-------------------|-------------------------------------------------------------------------------------|
| HDMI              | 1x HDMI® 2.1                                                                        |
| Displayport       | via USB Type-C                                                                      |
| Thunderbolt       | -                                                                                   |
| USB 3.2           | 3x (2x Type-A Gen 2 (1x with Power-Off USB Charging), 1x Type-A Gen 1)              |
| USB 3.1           | -                                                                                   |
| USB 3.0           | -                                                                                   |
| USB 2.0           | -                                                                                   |
| USB 4.0           | 1x (Type-C)                                                                         |
| Ethernet (RJ-45)  | Yes                                                                                 |
| Cardreader        | MicroSD cardreader                                                                  |
| Smart card reader | -                                                                                   |
| Audio port        | 1x 3.5 mm speaker/headphone/line-out (supports headsets with integrated microphone) |
| Docking port      | -                                                                                   |

### Input

|                  |                                                                     |
|------------------|---------------------------------------------------------------------|
| Keyboard         | Acer FineTip keyboard with numpad (103-/104-/107-keys)              |
| Keyboard layout  | German (QWERTZ)                                                     |
| Backlit keyboard | Yes (Amber)                                                         |
| Touchpad         | Multi-Gesture TouchPad (Microsoft Precision Touchpad certification) |

### Security

|                    |                                                                 |
|--------------------|-----------------------------------------------------------------|
| Fingerprint sensor | -                                                               |
| Kensington Lock    | Yes                                                             |
| Security software  | MSFT Pluton Security Processor Firmware TPM-solution (optional) |
