Shake up air frying and your cooking with the Air fryer with steam function + Grill: discover the lightness of air frying combined with steam cooking for food crispy and golden on the outside, but soft and juicy inside. The pure steam function can be used also alone to better preserve vitamins and minerals of food.

Air Fryer with Steam Function + Grill with 10 pre-set programs for air frying, grilling, using the standard functions of the oven, dehydrating, roasting, backing from pizzas to cakes, heating, fermenting, and steam cooking. You can prepare large amounts thanks to the 7-litre capacity at a temperature adjustable up to 200 °C.

Choose the ideal function:

- Pure steam cooking: 100°C cooking with integrated water tank for steam cooking to preserve vitamins and mineral salts and avoid to loose consistency and flavour.
- Air fryer cooking + steam (combi): air frying in cyclical intervals with steam that makes food crispy on the outside but soft, moist, juicy inside, thus ensuring the natural taste and flavour of ingredients.
- Cooking just with air fryer: allows an all-round cooking with hot air without steam, by ensuring a crispy and golden frying.
- Grill: this mode allows to grill and brown meat, fish, and vegetables evenly.

The air fryer is equipped with an adjustable timer, a simple and user-friendly touch screen display to make settings easier and an inner light to check cooking thanks to the transparent basket. The 1.55 L water tank permits to generate steam during cooking for 90 minutes, thus keeping food juicy and nourishing. The Air Fryer is supplied with a self-cleaning and hygienising function for an effective cleaning.

With Air Fryer with Steam Function + Grill you can let your imagination run free in the kitchen in all safety thanks to the automatic switching off.
