

HP V27e FHD Monitor

An everyday monitor that's easy on you.

Browse the web, stream your shows, and get some work done—all with plenty of room—on the extra-large HP V27e FHD Monitor that adjusts to your comfort needs and delivers stunning picture quality and expansive views in highly affordable style.

Crisp image clarity for all your content.

Get lifelike color and sharp details for everything you do, from answering e-mails, checking your social feeds, and working on documents to watching the latest shows, on a 27" (68.58 cm) diagonal Full HD screen.

A clear view from anywhere in the room.

Give everyone a great view of the screen, wherever they sit or stand, on an IPS monitor with 178° viewing angles.

An infinity pool for your desk.

See more of your actual screen and less of its borders with the 3-sided borderless design that also makes tiling multiple monitors together a seamless dream with no bezel interruptions.

HP V27e FHD Monitor

Featuring

Step up to the best

IPS technology brings you clear views from almost any angle. Every seat is the best seat in the house.

FHD display / 1080p display

Be prepared for brilliant visuals and crisp images with the unforgettable quality of this stunning FHD display.

Share the panoramic view

Vibrant detail from practically any position with consistent color and image clarity maintained across ultra-wide 178-degree horizontal and vertical viewing angles.

Adjust your view

Adjust the screen to your personal preference with a 5-degree forward or 20-degree backward tilt.

Low blue light

Using the Low Blue Light mode subtly shifts your display's colors to a warmer spectrum, while making whites more natural and putting less strain on your eyes.
