

OMEN Mouse 600

The upper hand. In your hand.

Victory is a group effort, and bringing the right tools can make you go from average teammate to the team's backbone. The OMEN Mouse 600 is engineered with precision at the forefront, so you can focus on split-second decisions without thinking twice about that overtime countdown.

Product overview

- **Precision movement:** Fine-tune your accuracy with a full range of DPI levels from 800-12,000 and a new optical sensor designed for eSports.
- **Split-second settings:** Buttons on the mouse let you adjust settings without interrupting your gameplay or opening additional software.
- **Find your ideal weight:** Gain the advantage with removable weights that allow you to customize the center of gravity.
- **Tactical traction:** Precisely control the scroll wheel with 24 detents, offering improved traction over the typical 16.
- **Relentlessly engineered:** Mechanical switches are optimized so you get fast response times while withstanding the pressure of up to 50 million clicks.
- **Competitively designed:** eSports ready with an ergonomic right-hand design and rubber grips for added control and comfort.
- **Braided protection:** Unimpeded movement with a braided sheathing that enhances the USB cord's durability and minimizes kinking.
- **What's your favorite color?:** Customize it to your style with 12 illuminated colors to pick from and two unique effects.

Recommended system requirements

- Windows 7, 8, 10 ⁽¹⁾
