Security Declaration

Product Lifecycle

Huawei's regulations on product lifecycle are subject to the *Product End of Life Policy*. For details about this policy, visit the following web page:

<https://support.huawei.com/ecolumnsweb/en/warranty-policy>

Vulnerability

Huawei's regulations on product vulnerability management are subject to the *Vul. Response Process*. For details about this process, visit the following web page:

<https://www.huawei.com/en/psirt/vul-response-process>

For vulnerability information, enterprise customers can visit the following web page:

<https://securitybulletin.huawei.com/enterprise/en/security-advisory>

Initial Digital Certificate

The Initial digital certificates on Huawei devices are subject to the *Rights and Responsibilities of Initial Digital Certificates on Huawei Devices*. For details about this document, visit the following web page:

<https://support.huawei.com/enterprise/en/bulletins-service/ENEWS2000015789>

Huawei Enterprise End User License Agreement

This agreement is the end user license agreement between you (an individual, company, or any other entity) and Huawei for the use of the Huawei Software. Your use of the Huawei Software will be deemed as your acceptance of the terms mentioned in this agreement. For details about this agreement, visit the following web page:

<https://e.huawei.com/en/about/eula>

Lifecycle of Product Documentation

Huawei after-sales user documentation is subject to the *Product Documentation Lifecycle Policy*. For details about this policy, visit the following web page:

<https://support.huawei.com/enterprise/en/bulletins-website/ENEWS2000017761>

7.6 Mounting a Huawei SME Network Series Indoor Settled AP on a Ceiling Beam

The diagram illustrates the assembly of the sensor module. It shows a top view of the module with a central sensor area and four mounting points. A circular inset provides a detailed view of the mounting process, showing a screw being inserted into a hole in the module's housing. The inset is labeled with a green 'c' and a blue arrow indicating the direction of the screw. Another circular inset shows a close-up of the sensor area, with a green 'c' and a blue arrow indicating the direction of the sensor's output. The main diagram is labeled with a green 'c' and a blue arrow indicating the direction of the sensor's output.

The diagram illustrates the installation process for the base station antenna. It includes three numbered steps: 1. Inserting the antenna into the mounting bracket. 2. Securing the antenna with a screw. 3. Locking the antenna with a padlock. A callout box specifies a torque of 3 N·m.

7.7 Mounting a Huawei SME Network Series Indoor Settled AP on a Threaded Rod

8 Huawei SME Network Series Indoor Settled APs (Small Mounting Bracket B, DC Power Supply)
