- 210°C styling temperature for smooth style

Ease of use

- Fast heat-up time, ready to use in 60 sec
- Key-lock function for safe and easy storage
- Universal voltage for worldwide use
- Swivel cord to prevent tangled wires
- 100 mm long plates for fast and easy straightening

Highlights

Tourmaline ceramic plates

Tourmaline ceramic plates glide smoothly through your hair, for a shiny frizz-free look.

210°C styling temperature

This high temperature enables you to change the style of your hair to achieve the look you want.

Universal voltage

Compatible with 110–240 volts. Can be used wherever you travel in the world.

100 mm long plates

The longer 100 mm plates enable better contact with the hair to help you achieve perfect straightening results more easily and in less time.

Fast heat-up time

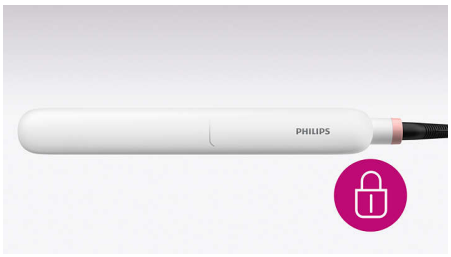

The straightener heats up quickly and is ready to use in 60 seconds.

Swivel cord

Useful swivel cord technology rotates the cord to prevent tangled wires.

Key-lock function

The plates can be locked together for safe and easy storage.
