SilverStone

SETA Series

SETA Q1

Silent mid-tower case with soundproofing

- Distinctive front bezel design embedded with sound maze soundproofing technique, achieving balance between great airflow and low acoustic noise level
- Drastically reduces noise with integrated sound dampening material allocated on the front and side panels, top dust filter and bottom of the chassis
- Ample interior space with highly versatile layout, setting no boundaries for creativity and inventiveness
- Supports up to SSI-EEB motherboards
- I/O ports include USB Type-C x 1, USB 3.0 x 2 and combo audio x 1
- Superior dust prevention with removable dust filters on the top and bottom
