X201

# Full HD Webcam

Part no. PX-CAM004

With its 3 megapixel 1/2.7” optical sensor and fixed focal lens, combined with an omni-directional microphone, the ProXtend X201 is the perfect choice for the occasional users of webchat and online video applications.

At ProXtend we understand that megapixels are not everything when it comes to image quality.

That’s why we focus on the hardware that really matters, ensuring that you are ‘seen and not just heard’.
