

Spannungsprüfer

PAN MV-690B

Spannungsprüfer mit Digital-Anzeige

- bargraph 1
- **Display 1999**
- 2-pole voltage tester AC and DC
- **With test button for 30mA RCD - Circuit Breakers**
- **Switchable load for suppressing stray voltages to distinguish "real" voltage of stray voltage.**
- Indication of polarity for DC
- Single-pole phase test
- **Phase sequence indicator**
- **LED flashlight**
- Dimensions 240 x 78 x 40 mm
- **CAT II 1000 V**
- **CAT III 600 V**
- TÜV GS tested
- Lieferumfang: Battery 2x AAA, Operating manual

	PAN MV-690B
Continuity / Circuit tester	40 Ω
Frequency range	50 - 60 Hz
Weight (gross / net)	586 g / 216 g
