

HP Rechargeable MPP 2.0 Tilt Pen (Silver)

Creativity that can't be stopped

Experience creation at the tip of your fingers with MPP2.0 technology that allows for less delays, smoother color transition and enhanced response time.

Your smoothest writing experience

New and improved MPP2.0 technology allows for less delays, smoother color transition, and enhanced response time on touch-enabled devices that support MPP2.0 technology.

Pen-point accuracy

Experience pen-point accuracy with only 9g of pressure, so you can edit, draw, write, doodle, and more.

Be charged to create

Now you'll always be ready to work with the USB-C rechargeable pen.

¹ Actual battery life will vary with use and environmental conditions, and will naturally decrease with time and usage.

² HP includes a one-year limited warranty with online support available 24x7. Consult the HP Customer Support Center for details, or go to www.hp.com/go/orderdocuments. Internet access required and not included.

HP Rechargeable MPP 2.0 Tilt Pen (Silver)

Featuring

Customize your creative experience

Customize your pen controls with 2 personalized buttons via the HP Pen Control application.

Check your charge

Know your charge with the indicator that blinks when your pen needs to be plugged in.

Battery life that keeps up with you

Get the most out of your pen with up to 30 days of battery life.¹

Exchangeable tips

Choose the tip that best fits your task with 2 exchangeable choices.

Easy to carry, anywhere

This compact design fits in any carrying case, so wherever you take it, you'll be ready.

Never lose your pen again

Never lose your pen again with the magnetic barrel that stores easily.
