

MROS267

MediaRange Optical 4-Button Wireless Mouse with Scroll-Wheel and DPI-Button, 1.000 - 2.400 dpi, Silent-Click, 3-Device Multipairing (BT Ver. 5.0), Symmetrical, Black

Precision and Comfort for Every Workstation

MediaRange offers a comprehensive selection of wired and wireless keyboards and mice, designed to meet the needs of both professional and everyday users. Whether you're looking for ergonomic solutions, compact designs, or high-performance peripherals, our products provide precision, durability, and user-friendly functionality.

From office environments to gaming setups, our keyboards and mice deliver responsive keystrokes, smooth navigation, and reliable connectivity—helping you stay productive and comfortable throughout the day.

Enhanced Control with Silent Precision

Our Optical 4-Button Wireless Mouse is designed for comfort and precision, making it an ideal choice for both left- and right-handed users. Equipped with silent-click technology, this mouse delivers a quiet, responsive experience without compromising on precision. Featuring DPI adjustments between 1,000 and 2,400 dpi, and a conveniently placed channel switch button, it is perfect for users who demand both comfort and performance.

With Bluetooth 5.0 connectivity, the mouse ensures a stable, energy-efficient connection while offering the freedom to move wirelessly without the clutter of cables.

Compatible with Windows, macOS, and Linux, this device requires no additional drivers—just connect and start working effortlessly. Whether for office use, home setups, or mobile productivity, this wireless mouse delivers comfortable navigation and reliability in any environment.

Key Features:

- Symmetrical Design: Perfectly suited for left- or right-handed users.
- Adjustable DPI Resolution: Switch between 1,000, 1,600, and 2,400 dpi for precise control.
- Reliable Connection: Bluetooth Ver. 5.0 ensures a stable connection with a range of up to 10 meters and support up to three devices.
- Durable and Long-Lasting: Left and right mouse buttons tested for over 3 million clicks.
- Compatibility: No drivers needed; works instantly with Windows, macOS, and Linux.
- Compact and Comfort: Lightweight yet robust, designed for extended comfort.
