Desk

Model: **AK-MB-03**

3

Product code	AK-MB-03
Responsible Entity	Akyga Europe Sp. z o.o., 52-200 Suchy Dwór, Wrocławska 1c, Polska/Poland, contact@akyga.com
Product type	Desk
VESA Standard	100x100 mm, 75x75 mm
Rotation	360°
Inclination	+/- 45°
Maximum Load	10 kg
PIVOT Function	Yes
Screen Size	15" - 32"
Product color	Black
Package size (L x W x H)	440 x 130 x 110 mm
Net weight	1.5 kg
Gross weight	1.8 kg
EAN code	5901720139740
Warranty	24 months

Description

The Akyga® AK-MB-03 desktop monitor mount is the perfect choice for those looking for a minimalist yet effective screen mounting solution. Its **compact armless design** allows for the mounting of one monitor with a maximum diagonal of **32 inches**. Thus, the mount helps to maintain a neat workstation look that fits perfectly into modern offices. What's more, the **monitor desk mount** fits almost any monitor on the market, thanks to the VESA mounting system.

VESA mounting standard for monitors

The monitor mount is mounted directly to the desk top. This provides the mounted screen with exceptional stability and the user can be assured of the strength of the entire structure. Mounting a VESA-compliant mount is a simple operation. A few basic tools are sufficient to mount screens with a **100x100 mm** or **75x75 mm** pitch.
The VESA mounting standard is a universally accepted system that defines the spacing of the mounting holes on the back of the monitor. With this solution, most modern screens can be easily and securely attached to mounts, arms or stands.

Monitor mount adjustment and comfort

The AK-MB-03 monitor mount offers key adjustment features to enhance user comfort. The mount allows you to **adjust the angle of the monitor** from -45 to +45 degrees and adjust the screen to your preferred height. This ability to personalise the screen positioning significantly affects the ergonomics of the workplace, reducing eye fatigue and neck pain caused by an inappropriate sitting position. In addition, the mount **supports the PIVOT function**, allowing you to easily change the screen orientation from horizontal to vertical.

Durability and build quality

The monitor mount combines functionality with an elegant, minimalist design. Made from high-quality materials, it provides durability and stability, and its modern design fits perfectly into any office space. What's more, the integrated **cable management system** helps organise cables, eliminating clutter and giving the space a neat look.
