Back plate Projection: 30mm
Back plate Width: 120mm
Made in England: No
Barcode: 5024005495406
Dimensions: 43 × 17 × 29 cm

This product has an IP rating of 43

Product Description

This collection of outdoor fittings has a focus on security and convenience. All come with a passive infrared sensor (PIR) guaranteed against fault for two years. Use of a PIR sensor on an outdoor lantern minimises energy use without sacrificing the security gained from outdoor lighting. The efficient LED Sigmund further reduces the energy used.
