## Features and Benefits

### JBL 360-Degree Pro Sound

Surround yourself with music. JBL Link Portable pulses sound in every direction thanks to a full-range transducer with 360-degree capabilities. Tuned by an advanced algorithm, the digital amp delivers full-bandwidth audio. Enjoy crystal clear trebles, sharp mids and wall-to-wall bass throughout your home.

### AirPlay 2 and Chromecast built-in

Stream all your favorite music stations, audiobooks and podcasts with AirPlay 2 and Chromecast.

### Play and control your music with your voice

Control your soundscape. Use your voice to ask for your favorite songs and enjoy music streaming with the Google Assistant.

### 8 hours of playtime

Link Portable gives you up to eight hours of playtime. Catch the latest podcast or audiobook. Listen to every song on your favorite album. You'll still have plenty of power to spare.

### IPX7 waterproof

IPX7 waterproof protects JBL Link Portable from all sorts of household accidents and mishaps.

### Charging cradle

Recharging your speaker is a breeze. Simply plug the charging cradle into any outlet and place your JBL Link Portable on top. You'll be ready to get back to the music in no time.

### Simple setup with the Google Home App

With the free Google Home App for iOS and Android you can easily set up and manage the JBL Link Portable.

### Substance and style

A sturdy speaker, JBL Link Portable also has style to go with its substance. Choose from six different vibrant colors to match your décor.
