A whopping 10 ports

Imagine what 10 USB ports offers you: you can connect virtually any device at the same time. From keyboards to external drives, everything stays plugged in and ready. This helps keep your desk organized and simple.

Built-in charging port

One of the ports supports faster charging for phones and tablets. It delivers steady power so your devices stay ready throughout the day. Club Hub 6110 makes separate chargers unnecessary, saving you money in the long run.

Fast data transfer

With USB 3.2 Gen 2 support up to 10 Gbps, Club Hub 6110 moves files quickly between devices. This helps when working with large documents, photos, or videos. Get on your couch, while others are still waiting for their files to be transferred.
